

# THE CATALOGUE BY A.G

## PALETTES:

It's all about the impression you create through your hands. A brief idea of colours and themes can enhance your journal entry more than you think. Check out some of my favourite colour combinations below.

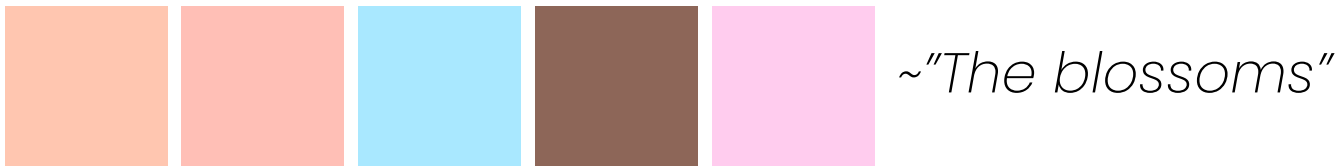

### ESTATE, THE SUMMER

### AUTUNNO, THE AUTUMN

### PRIMAVERA, THE SPRING

### INVERNO, THE WINTER

These are just some of my choices, personalised colour combinations are welcome!  
I can help you in building a palette perfect for your eyes.

## MOODBOARDS:

Moodboards matter a lot when it comes to aspirations or goals that we follow. If you want a beautiful moodpboard ready just in a matter of days, you can either select from your our templates or provide a template of your own. We will definitely need your goals and your aesthetics to understand your mood and create a board as per as your choice!
